Mihir Patel
Oracle Developer

OBJECTIVE

A bright, talented, ambitious and self-motivated Oracle developer with a strong technical background who possesses self-discipline and the ability to work with the minimum of supervision. Able to play a key role throughout the system development / support life cycle of a project to ensure that quality solutions meet business objectives. Possessing a good team spirit, deadline orientated and having the ability to produce detailed technical specifications from client requirements.

A quick learner who can absorb new ideas and can communicate clearly and effectively. Currently looking for a good opportunity to join a dynamic, ambitious, growing company and forge a career as a first class System Analyst.
